What We Did

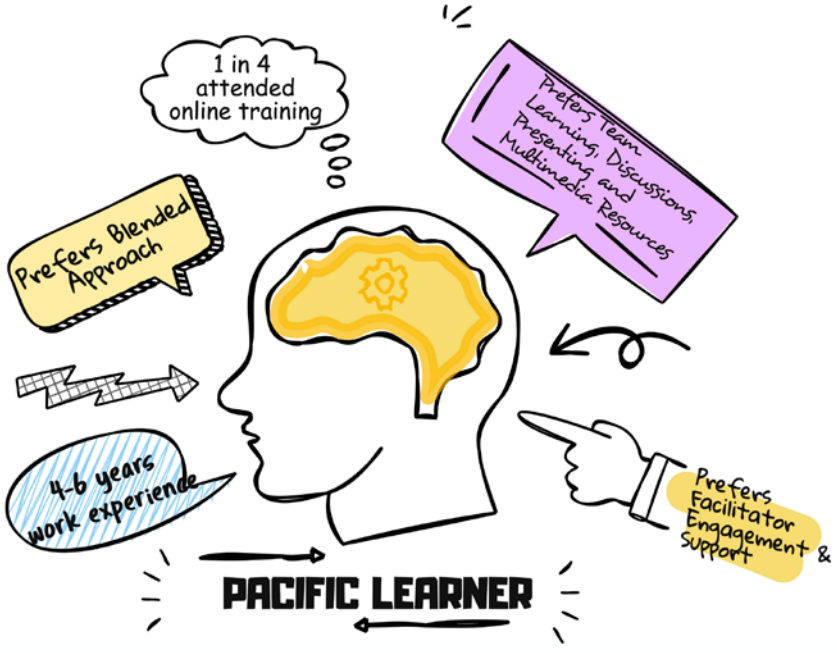

- Emergency Remote Teaching
- Embraced the Online Environment
- Created Online Repositories
- Became Instructional Designers

What We Learnt

- Repository Of Information
- Learners Want Face-To-Face Interaction
- Connections are Important
- Don't Need be High Production Value
- Drop in Attendance Post COVID

Know Your Learner!

Rethinking the Design of Health Management Programmes

Rethink Programme Structure

Health Management

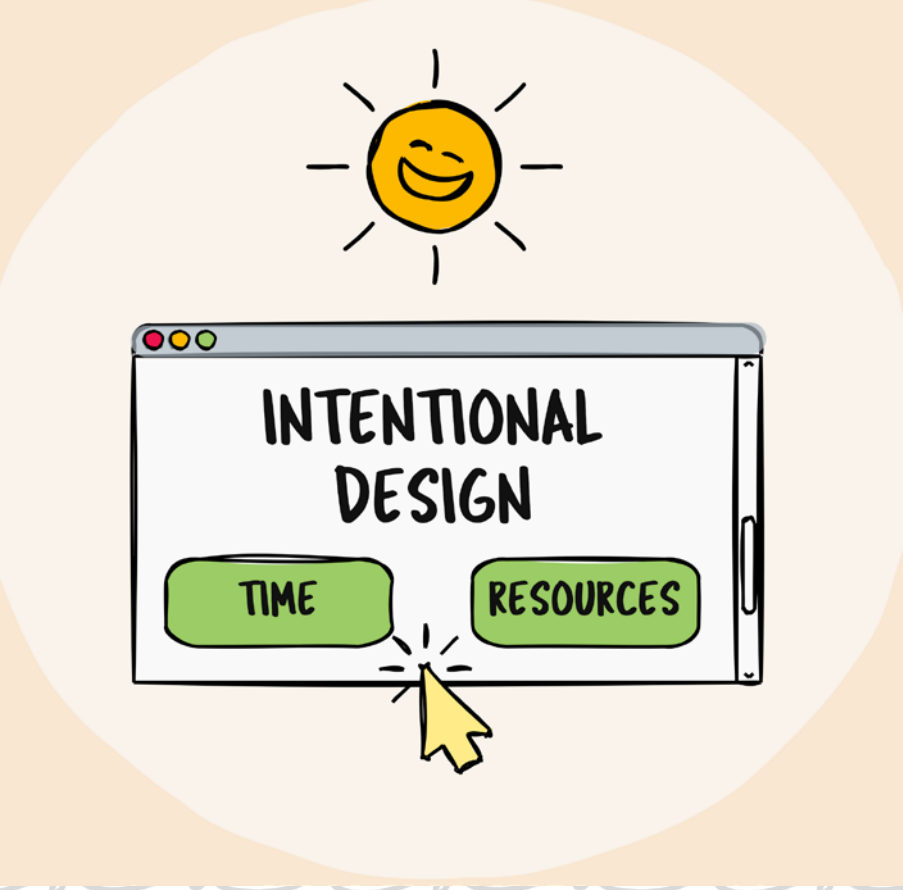

Requirement:

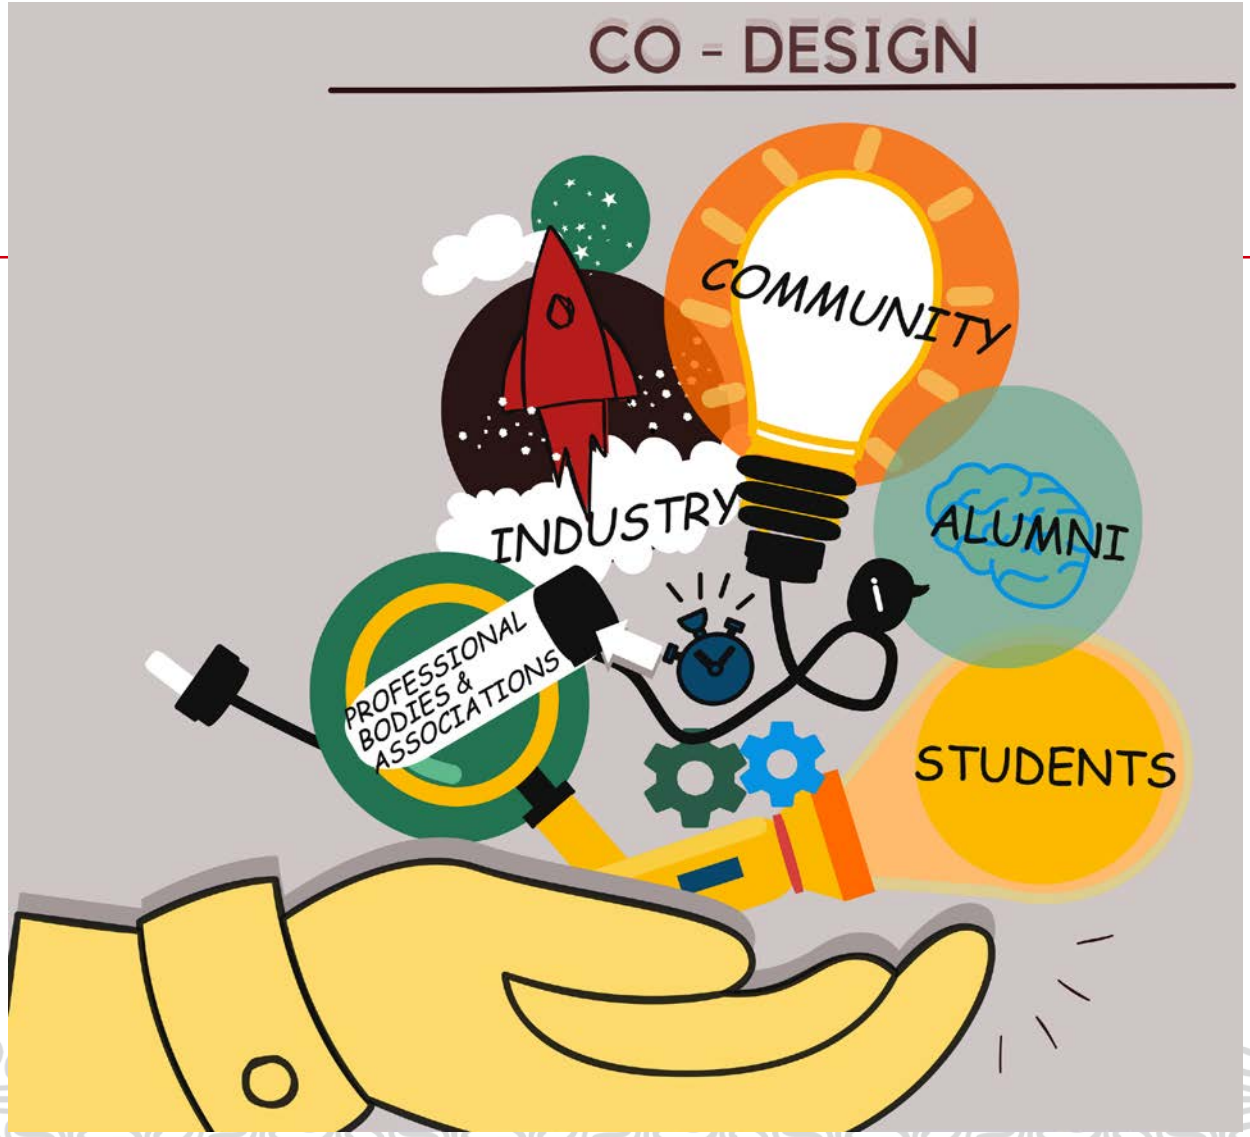

Taught Masters

- 15 points from HLTHMGT 721, 729
- a further 15 points from HLTHMGT 729 POPLHLTH 705, 722, 724
- 45 points: HLTHMGT 754, MAORIHTH 701, POPLHLTH 719
- 45 points: HLTHMGT 755 Project in Health Leadership

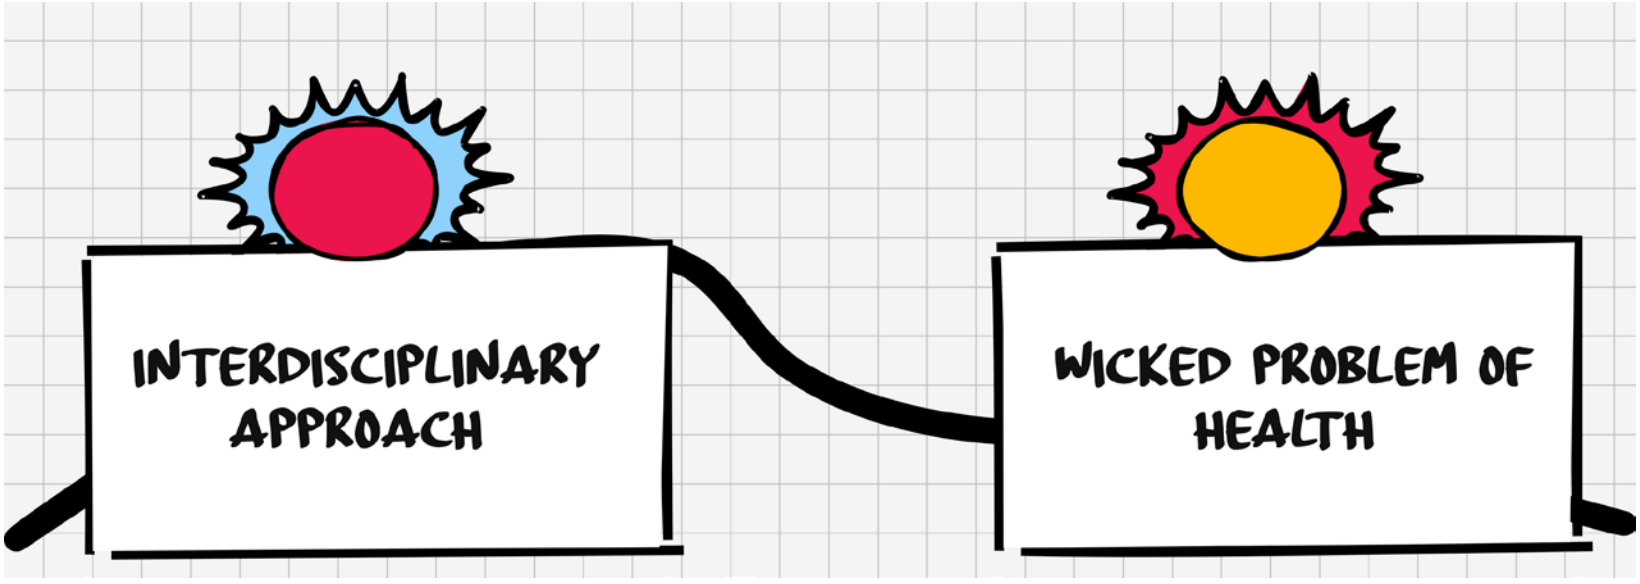

Intentional Design

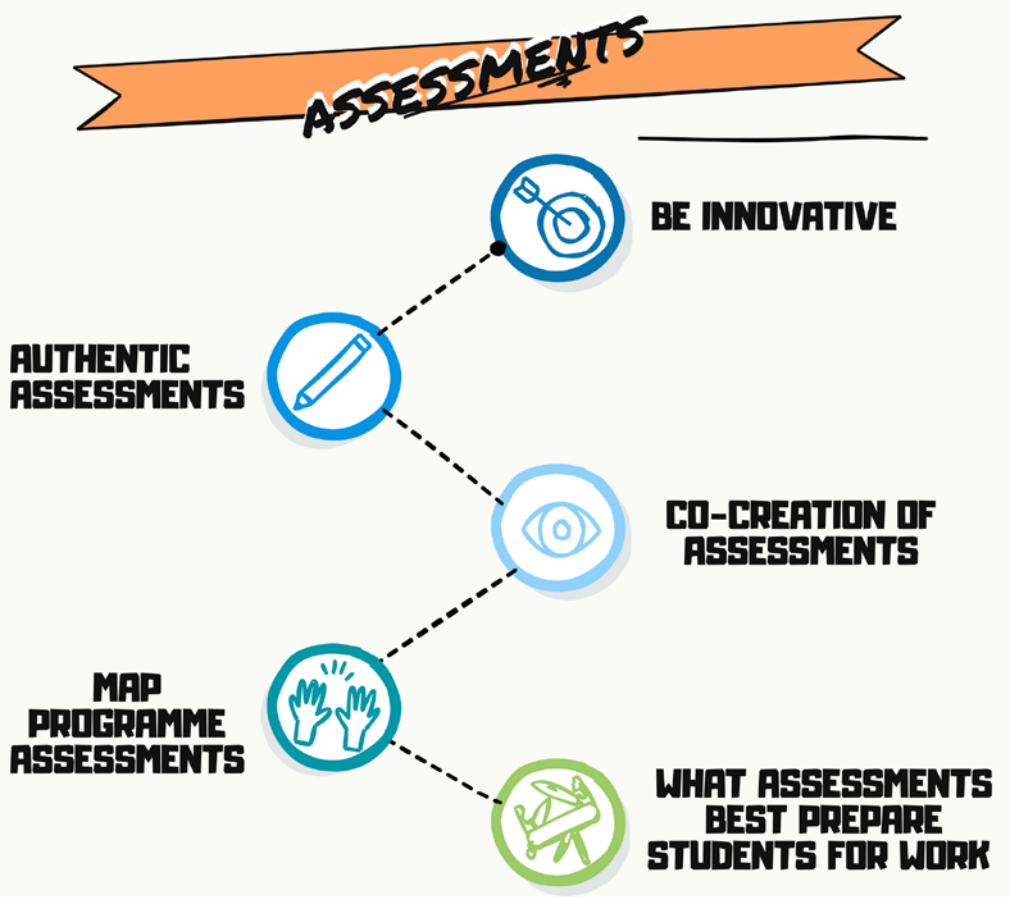

CO - DESIGN
