

Research Seminar: Development of a New Fire Blanket for Controlling Lithium Battery Fire

Research Centre for Green Energy, Transport and Building (RCGETB)
Research Centre for Advanced Design, Materials and Manufacturing Technologies (RCADMM)

Date: 18 July 2023 (Tuesday)

Time: 11:00 am - 12:00 noon

Venue: Online via MS Teams

Language: English

Dr ZHEN, Hai-sheng

Professor

Mechanical and Electrical Engineering College, Hainan University

Director of Clean Energy Utilisation Centre

Biography

Dr Zhen is serving as the director of Clean Energy Utilisation Centre of Hainan University. He received his PhD from the Department of Mechanical Engineering of The Hong Kong Polytechnic University in 2010. He continued to do research at PolyU till 2016. Then, he joined Hainan University, as a professor at Mechanical and Electrical Engineering College. His research interests range from thermal and power engineering to fire engineering and new energy engineering. He has published over 50 papers and received over 10 patents and over 4 million in funding. He is also devoted to facilitating both regional and international cooperation between Guangdong and Hong Kong.

All are welcome!
